INSPIRING LEARNING

SINCE 1854

COURSES FOR ADULTS
SPRING/SUMMER 2023

COLLEGE

WELCOME TO OUR LEARNING COMMUNITY

Situated in the heart of London, we are a welcoming adult college, offering a range of courses to suit everyone. Since 1854, our goal has been to help adults reach their learning potential, with high quality teaching and support provided by our passionate tutors.

As we continue to navigate challenging times, we remain committed to supporting adult learners to thrive within the community. Whether that be to improve job prospects, retrain in another sector, or simply invest in a passion, we have an affordable course for you.

This year we are focused on supporting adults to break down the barriers surrounding maths anxiety with the government backed 'Multiply' scheme. We will be providing free maths workshops both in the College and the community to help adults gain confidence in their mathematic skills for everyday life.

New for 2023, our 'Level-Up' programme has been created for those who are level 2 qualified or have relevant experience to boost career progression with level 3 courses, many of which are free. Courses range from Home Based Childcare, Teaching Assistant Training, Certificate in IT Skills to AAT Certificate in Accounting.

With the current cost of living crisis, we are dedicated to making learning affordable. Many courses are discounted or free, and to help spread the cost we also offer a payment in instalments option.

We look forward to welcoming you to the WM College community.

MARIA ROSENTHAL, ACTING PRINCIPAL

DIVERSITY STATEMENT

We believe our diversity is one of our strengths. We welcome adults of all ages, religions, and sexualities and believe everyone should have access to high quality education. People with learning difficulties and disabilities are fully supported.

The College has two sites - our main site is a Grade II listed building on Crowndale Road, Camden and the second is Leighton Place, Kentish Town. See page 95 for details.

GEOFF GOSS

Drawing and Painting/Lowes Dickinson Award Winner

Geoff has studied several Painting and Drawing courses at WM College and is now the proud winner of this year's Lowes Dickinson Art prize.

"Painting was something I cherished as a child but abandoned. During the pandemic I bought a set of watercolour paints, as soon as classes resumed I enrolled on the Botanical Drawing course and Watercolour course. Both courses have been very beneficial, they pushed me out of my 'comfort zone' and I developed new skills and confidence. To win a prize after all these decades has been really moving.

I really appreciate the friendly and supportive environment at WM College."

ENGLISH AND MATHS

We pride ourselves on our high success rates in functional skills and GCSEs. If you need to improve your English and Maths skills for work or life, or need qualifications to progress onto further education, we can help. Whatever level you are at, we offer a range of courses to give you skills and confidence in these crucial subjects.

WHEN AND WHERE ARE THE CLASSES?

Our English and Maths classes run at our Camden site. We have classes in the daytime, evenings and Saturdays with some sessions online.

You will be expected to complete regular coursework and homework assignments online. It is expected that you will do some self-study every week to ensure success and the first term will include a mandatory self-study module. You must be able to commit to attending all your lessons and completing self-study as required.

"I had a fantastic learning experience at WM College. The tutors are very understanding about the challenges that mature students face juggling home lives and studies. They gave positive encouragement to inspire us and remind us not to lose sight of our goals. This achievement means that I am now able to pursue my career change into teaching. My next step is a teacher training programme for PGCE – Business Studies at University College London."

FEES AND FUNDING

We want education to be accessible to everyone, therefore we have a range of financial support available.

THERE ARE TWO TYPES OF FEE:

1. COURSE FEE

This is the standard fee for each course, marked clearly in the course listings.

2. CONCESSION FEE

A discount of up to 100% may be claimed by the following groups:

- **Unemployed learners on state benefits needing skills training to enter employment.** Benefits can include, but are not limited to: Jobseeker's Allowance, Income Support, Working Family Tax Credit, Disability Living Allowance, Personal Independence Payment, Carer's Allowance and Universal Credit. If you are on another state benefit which is not listed or on a low wage, please contact our Learner Services Team on **learnerservices@wmcollege.ac.uk** or **020 7255 4700**.

  Please note that evidence of the benefit(s) you receive is required to support your application for reduced or concessionary fees at time of enrolment onto the first course of the academic year. This needs to be dated within the last three months from the date of your course starting and can be a bank statement or confirmation letter.

- **Level 2 & Level 3 Entitlement:** Dependent on your age, employment status and previous qualifications, you may be entitled to full funding of your Level 2 or Level 3 course.
- **Learners earning less than £23,302.50 per year before tax for certain courses.**

Please note that evidence of income is required at the time of each enrolment during the academic year and must be dated within the last three months.

PAYMENT OF FEES

Course fees must be paid at the time of enrolment to secure your place. You can pay online by credit/debit card. If you are unable to pay online you can visit the College and pay by cash or credit/debit card.

SPREADING THE COST

If your course fees are £250 or more, you can spread the cost for up to six months by paying in interest free instalments depending on when the course starts. The payments must be made via Direct Debit (from a UK bank account). If you fail to meet a direct debit payment when it is due or if you cancel the course after it has started, then the full outstanding balance of your fees will be due for immediate payment. Non-payment of this balance may result in your exclusion from the course and the College.

ADDITIONAL COSTS

Course fees are generally inclusive – but for any courses that include trips or excursions, there may be an additional charge (which will be highlighted in the course description).

In most cases, the course fees cover all materials and exam entry fees. In some cases you will be required to pay for additional materials. If you have any queries about this, please contact our Learner Services Team or see the course description on our website.

FEE REFUNDS

In the event of a course cancellation, all fees paid by learners will be refunded. If you choose to withdraw from a course two weeks or more before the date of the first class, your fees will be refunded subject to deduction of a £15 administration fee. If you enrol less than two weeks before the start of a course and withdraw before the course starts, these terms apply. If you choose to withdraw from a course less than two weeks before the date of the first scheduled class, then you will be able to claim a refund of 50% of the fees, subject to a minimum retention by the College of £15. If you choose to withdraw from a course on or after the date of the first class, then no refund will be made under any circumstances, and you will also remain liable for all fees assessed but not yet paid.

COURSE TRANSFERS

If a course transfer is possible, the fees from your original course will be transferred. If the new course has higher fees, you must pay the balance in full (or a new instalment plan agreed) before the transfer can be completed. No refund will be available if the new course has lower fees.

AND REMEMBER

If you earn less than £23,302.50 per annum before tax (full or part-time) and live within the Greater London Authority (GLA), then courses leading to a qualification are completely FREE.

FINANCIAL SUPPORT

A quick guide to the financial support available:

ADVANCED LEARNER LOANS

If you are 19 or over and studying on an eligible course at Level 3 or above, you will qualify for one of these government loans. No credit check is required, and you won't have to start paying the loan back until you are earning at least £27,295 per year.

For more information about these loans, visit **gov.uk/advanced-learner-loans**

ADVANCED LEARNER LOAN BURSARY

This is available to learners who have an approved Advanced Learner Loan. The bursary can help to pay for travel, childcare and course materials costs.

LEARNER FINANCIAL SUPPORT FUND (LFSF)

This fund is provided by the College and supports learners who wish to continue learning and whose total household income is under £26,000 (subject to available funds).

THE 16-19 BURSARY FUND

This fund supports learners under the age of 19 who may need help to cover the costs of attending college in terms of transport, food, equipment etc.

CARE TO LEARN

This is a government scheme helping young parents (under the age of 20 at the start of their course) with the costs of childcare and travelling expenses to and from the childcare provider.

Up to £175 per week can be claimed towards the cost of Ofsted registered childcare with no restrictions on the number of hours you study, or on the length of your course. Payments are made directly to the registered childcare provider.

OVERSEAS LEARNERS*

WM College receives government funding/subsidy for the delivery of courses where learners attending are ordinarily resident in the UK.

Ordinarily resident means, you already have legal right to be resident in the UK and in some cases you will need to have lived in the UK for the last 3 years. You will need to provide evidence of your residential status at your first enrolment for the academic year, and this includes, but is not limited to, UK Birth Certificate, Passport, Biometric Residence Card or Home Office Letter.

If you satisfy the criteria to be considered a legal resident of the UK, all rules and processes for Home Fee Assessment will be applied to you and your course fees.

If you do not meet any of the criteria above, you will be charged fees of £12.50 per hour of study, plus any other applicable costs. No concessions are available. If you would like more information about what evidence you would need to provide, please contact the Learner Services Team.

* At the time of publication, a person aged 19 or over who is a citizen of the UK or EEA, may be eligible for funding support. Please check our website for the most up to date information.
